Dear Pastor and Praying Friends in the ministry,

We greet you from the beautiful Mudon, Mon State. We have been praying for you and for all the ministries being carried out at the church.

“...ye stand fast in one spirit, with one mind striving together for the faith of the gospel; ...” Phil 1:27

We have now been in Mudon for almost two months. God has given me another opportunity to witness to a Mon family. That family—Daw Aye Than, her son, and her mother-in-law—had never heard the gospel and were willing to learn more about Christ. A week later, Daw Aye Than invited her daughter and the neighborhood children to our home. Once again, God opened the door to share the gospel with them. Please continue to pray for their spiritual growth. We are holding church services in secret, being careful not to draw attention from those around us. Please continue to pray that we can carry on without facing problems or interference.

Here is a friend of mine and his wife. They're The davis family. They have been such a blessing to my wife and me since we moved to the mission field here in Mudon. They visited our home and spent time with us, and it was truly encouraging and wonderful. Yes, we absolutely need fellowship time!

Since there's only 2-4 hours of limited electric power each day in Mudon we've been praying for a battery and inverter. God answered our prayer. He exactly provided what we need. We're grateful for that and praise the Lord. God is good.

Please continue to pray for strength, and open doors as we serve here in the midst of Mon people.
