Dear Pastor and Praying Friends in the ministry,

We greet you from the beautiful Mudon, Mon State. We have been praying for you and for all the ministries being carried out at the church. Thank you so much, for your prayers, supports and encouragements. It's been helpful for me and my wife.

"...ye stand fast in one spirit, with one mind striving together for the faith of the gospel; ..."

Phil 1:27

By God's grace, our Sunday service has been going well without any troubles. I taught the kids and their parents Bible lessons, including the story of Creation, and presented the Gospel every Sunday. God has been working here in Mudon through our ministry. I went Soul - winning every Friday. My wife is in charge of teaching the children at the extension class every Wednesday and Saturday.

Since their homes are a bit far from us, we travel there by mini Oway (3 wheels cycle) to teach the children every Wednesday and Saturday. We also rent a small bus to bring them to the church service every Sunday.

Last week a friend of mine visited us, and we went Soul winning together. God opened a door for us to share the Gospel with a Burmese named U Aye Maung. He was very friendly, listened attentively to our message, and welcomed us warmly. Please continue praying for his spiritual growth in Christ.

We were blessed and encouraged this week by a visit from a group of friends from the U.S. Their presence brought an encouragement to our ministry here in Mudon. Praise God! the children from extension class, came and even some of their parents came too. We were able to present the simple Gospel message in a way that both children and adults could understand. Please pray that the seeds planted during this time will take deep root and bear lasting fruit!

Since we rely on a motorcycle for transportation here, we are praying for a good used one for our family and ministry needs. Would you join us in prayer for this? Please also remember our family and ministry in your prayers!
